Dear Ms. Boyd:

In Order No. 2021-570 issued in Docket 2020-125-E, the Public Service Commission of South Carolina ("Commission"), inter alia, adopted the comprehensive Settlement Agreement reached by the parties in that proceeding. In Paragraph 21 of that Settlement Agreement, Dominion Energy South Carolina, Inc. ("DESC" or "Company") committed to initiate a stakeholder process "to examine an electricity affordability program for DESC's low-income customers and to address the need for legislation to implement such a program." See Order 2021-570 at 16. The Company is pleased to report that the parties held a second stakeholder meeting on March 31, 2022. In relation to that stakeholder meeting, the Company submits the following for filing:

1. The agenda for the meeting;
2. The minutes for the meeting;
3. A presentation from the meeting, which provided an overview of Funds Available for Bill Assistance Programs, the Need for Legislation to Implement a PIPP in South Carolina, and Recommended Next Steps;
4. The attendee list of participating stakeholders.

As the stakeholders continue to meet, the Company will update the docket as required by Order No. 2021-570.
